New End App

New End now has its own App which will be used to provide information and messages to parents and carers.

The App is free from either the Apple Store or Google Play.

To get the App...

Go to Google Play or the Apple store

Key in Piota schools

Download the **FREE** App

Once downloaded, you search for New End. Tap on it and subsequently every time you go into the App you are directed to our page automatically.

You then get a message about how to set the App for different groups. You basically go into "more" section, then settings, then channels where a drop down menu appears. You simply tap the year group (s) your child (children) are in. If your child attends one of the school's after school clubs, tick that box too. All done! Alternatively catch me at the gates and I will do it for you.

From September 2018 this will replace sending out information via email and text messages. We also plan to set up links for paying for trips and school meals as well as future links for signing up to clubs, parent evenings, etc.

Have a look and let us know what you think!

Well done 1K, 2B, 2E and 6G - no unauthorised absence!

Congratulations RS, 2E, 4W, 5H and 5W - No lates!

Attendance across the school last week was 96.05%, with an unauthorised absence level of 1.84%. Remember that good attendance is seen as 96% or better. Attendance to date this academic year is 94.78% with an unauthorised absence level of 0.85%. Let's keep working together to improve these figures even further! Parents and carers are reminded that any absence from school is considered an absence on your child's record.

There were 24 lates last week (27 less than the previous week) involving 22 children (12 less than the previous week) throughout the school. Best figures for the entire year!! Let's make sure we keep this up!

Year 1 News

Year One have been very busy developing their cutting skills whilst making delicious couscous. Most of the children were very brave and tried tasting a variety of vegetables. The final dish looks scrumptious!

Thanks to NESA who provide the funding over the year for all classes to be involved in these "Cooking without a Kitchen" activities in their classrooms.

INSET Day - Thursday, 3rd May 2018**SCHOOL CLOSED**

As a school we have to set our academic year dates up to a year in advance. As we have always been used as a Polling Station, we have been required to use one of our five INSET Days for these dates.

Unbeknown to the school, Camden decided to change the Polling venue at the last date so rather than use the school, they will be using Burgh House instead. The school wasn't notified of this change. We found out after contacting the relevant Camden department at the end of last month to query why we had not received the final notification paper. The department said they chose to change the venue as a result of parental queries as to why alternative local venues could not be used.

Unfortunately the date had been set for an **INSET Day** for next **Thursday, 3rd May**. **We could not change the date with such short notice.**

We have asked Camden to confirm whether this will continue in the future so that we do not have a similar issue again.

And Finally

As much as we were hopeful of warmer weather, this week we have had a variety of temperatures! Please ensure that you check the forecast before sending your child to school in order that they have appropriate clothing and footwear every day to match the weather conditions.

Continue to take care of yourselves and look out for each other.
