Supporting each Other

Flip Dunning, parent of Bay in Year Four is a market trader at Borough Market. Parents and carers will be aware that the market was closed for a period of time following the recent attack. Flip will be selling her mushroom pate (Pate Moi) at school next Thursday, 29th June. If you would like to support her, the pate will be sold just outside the school office from 3.20pm. (PS It is delicious!)

Thank You NES!

All the children have now enjoyed a wonderful skipping session where they have been learning about single jump rope and having a go at double dutch skipping. Everyone from Nursery to Year 6 go involved and had a go! Thank you to Rachel for helping us all - and sharing her world record tricks! If you want to purchase one of Rachel's special beaded ropes, please see Ms Ray. Huge thanks to everyone in NES (and those of you who voted for the playground option at the Winter Fair) who paid for these sessions.

We have also purchased new goals for the south playground as well as additional equipment such as footballs, chucks and skipping ropes.

Tomorrow we are also having "Dan the Skipping Man" in to train up some children in Key Stage Two as skipping champions to support other children in all the playgrounds who want to improve their skipping. They will also be leading two shows for children across the school to watch.

PS You can also get your ropes from the coach tomorrow - see note below.

You can **BUY** your child a Solar Skip™ by:

1. Sending £6.00 in an envelope TOMORROW to the school office. Ropes from the Dan the Skipping Man® coach at YOUR CHILD'S session.
2. Looking for the Dan the Skipping Man® coach in the playground at home time TOMORROW.
3. Asking in the office (they will have a small stock) for 3 days after your Dan the Skipping Man® day.
4. Visiting www.dantheskippingman.com - our team will post the rope to your home address.

Congratulations to 2E who have the best attendance (by far!) for this academic year. They have been rewarded with a free visit to Flipout in July!

Mathematical Success!

Two different teams competed in Maths Competitions last week.

The first was on Monday, 12th June. William (Y4), Adi, Brinda and Linus (Y6) competed in the Quiz Club Maths competition at Martin Primary School. The team worked really well together, and narrowly missed out on third place by 5 points.

The second competition was the Primary Maths Challenge held at Hampstead Secondary School. William (Y4), Dominic (Y5), Brinda and Isabel (Y6) worked together brilliantly, impressing everyone who they encountered. They were the Champion Team of the competition against nine other schools.

Congratulations! Well done to everyone involved in both teams!
