Special congratulations to Marc (Y6) who has achieved his thirteenth star!!!!

And... extra special congratulations to Mia (Y6) who has achieved her fifteenth star and trophy!!!!

Photographs and Videos

Throughout the year there are many opportunities where teachers take photographs or video important events such as assemblies for use on displays around the classroom and school. These help enrich the learning of the children and ensure that our school environment always looks exciting. **If you do not wish your child to be videoed or photographed, please make an appointment to discuss this issue with me.**

Year Group Meetings - Don't forget!

As part of the school's desire to continue communication with parents, we will be holding a year group meeting to start off the academic year. Year group meetings will provide parents with information about class routines as well as sharing news on the areas of learning being covered during the year. They will also give you the opportunity to meet the adults working across the year group. All meetings will start at 9am in the first floor hall on the following dates so please come along!

Monday, 11 th September	Year 6
Tuesday, 12 th September	Year 5
Wednesday, 13 th September	Year 4
Thursday, 14 th September	Year 3
Friday, 15 th September	Year 2
Monday, 18 th September	Year 1
Tuesday, 19 th September	Reception
Tuesday, 26 th September	Nursery

We look forward to seeing you at these meetings.

Attendance and Punctuality over the Academic Year

The attendance level last year as recorded by the DFE is still being finalised and I will let parents know these figures as soon as possible. Thank you to the majority of parents and carers who continue to take attendance and punctuality seriously, ensuring that their child is in school and on time.

Children must only be absent from school if they are ill. If your child is ill or unable to come into school for another reason, such as a family bereavement or religious observance, please telephone the office to let us know the reason for their absence. The school's telephone number is (020) 7431 0961. If you are unable to telephone, please send a note explaining the reason for the absence.

Appointments with doctors, dentists or at a hospital should be made outside school hours or in the holidays. Where this is not possible, a note or an appointment card must be brought into the school office the day beforehand so that the register can be marked accordingly.

If parents and carers do not provide a reason for the absence, the absence remains unauthorised. This includes lateness after the register closes. If a child has missed a substantial amount of time from school, the Head or Deputy will contact the family. The Education Welfare Officer may also make contact.

Permission for time off during the school term is only granted in **exceptional circumstances**. This does not include early get aways for holidays or holidays in general. Permission must be sought from the Headteacher using an application form which is available from the school office.

All classes from Reception to Year 6 are involved in Guided Reading sessions at the start of every school day. Children who are late will miss important learning time. Subsequently, repeatedly late children will spend part of their lunch reading the texts that they would have read in class to ensure that they do not fall behind their peers with their reading.

Year 4 News

Children in Year Four will have a weekly recorder lesson as part of the borough's Wider Opportunity programme in addition to their weekly music lesson with our Leader of Music, Maria Walker.

Paperless News

Parents and carers are reminded that from October New End is moving to a paperless system for information sharing. This means that all newsletters and other class notes will be sent via email. Copies will be available to collect from the office. Newsletters will also be available via the school website. Reminders will continue to be sent by text.

Please email the headteacher with your name and your children's names and classes to receive the emailed newsletter. head@newend.camden.sch.uk Parents who have already provided the school with their email address will receive a copy of this newsletter by email today.

NESA News

Everyone is very welcome to attend our Annual General Meeting (AGM) on Weds 27 Sept at 9am. Please come to the middle hall where we will elect a new Chair, Treasurer and Secretary.

Our first event this year is a welcome drinks for nursery and reception parents. All parents and carers will receive an invitation via their child's book bag. It's a lovely way to meet others from your child's class and some of the New End staff as well. NESA organises and funds this evening which will be on Thursday 28 Sept from 7.30pm - 9.30pm.

Then it's the International Food Fair. This year it's on Saturday 14 October so save the date! A wonderful way to come together as a school community and share the food from the many countries we all come from and have a great evening. More details will come out soon.

Volunteer wanted: We also organise the t-shirts. You can get your New End t-shirt from the school office for £5. We need a new volunteer to organise this behind the scenes. It's not a big job, just keeping track of stock, keeping the office supplied and managing the money coming in. Can anyone help?

This year we are moving away from using Class List and have set up a closed [NESA Facebook group](#) instead. If you are a Facebook user, you can join the group and keep in touch with NESA.

Please get in touch via email: nesachair@gmail.com (new email for this year).

Catherine

NESA Chair

And Finally

I am enjoying reading the projects completed by the children over the summer. The last day for these projects to be handed in is TOMORROW. Projects handed in late will be held over to January when the next projects will be taken in.

Continue to take care of yourselves and look out for each other.

Karyn Ray

Headteacher
